

# Young and Proud (Remastered)

## Ace of Base

We're much too young and life's so big  
We don't know yet  
What the future brings in its hands for us  
What tomorrow brings, the future knows  
No matter what you say  
No matter what you do  
We are united  
Young and proud  
Young and proud  
We're marching on the same side of destiny  
On the same side of destiny  
Anyway anyway, you do it wrong  
I'm calling out your name but you never hear me  
Anyway anyway, you do it wrong  
I'm giving you my love though it's never for sale  
And we're so young and proud  
Anyway anyway, you do it  
wrong  
I'm calling out your name  
I'm calling out your name  
I'm calling out your name  
Anyway anyway, you do it wrong  
I'm calling out your name  
I'm calling out your name  
I'm calling out your name  
I'm calling out your name  
I'm calling, calling out your name  
Anyway anyway, you do it wrong  
I'm calling out your name but you never hear me  
Anyway anyway, you do it wrong  
I'm giving you my love though it's never for sale  
Anyway anyway, you do it wrong  
I'm calling out your name but you never hear me  
Anyway anyway, you do it wrong  
I'm giving you my love though it's never for sale  
Anyway anyway, you do it wrong  
I'm calling out your name but you never hear me  
Anyway anyway, you do it wrong  
I'm giving you my love though it's never for sale
