

# Sado Methodist

## G.B.H.

Trying to find a balance  
Somewhere in my life  
The frozen stare of a beer caught in a headlight  
Gotta keep on going  
We ain't born to lose  
I feel like a genius trapped in the body of a fool  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
Have to keep on waiting  
Something's gonna come  
We know it's out there somewhere till then we're on the run  
There's a storm a brewing  
Don't wanna cause no waves  
We ain't dumb we know the sacrifices to be made  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
I wanna hear it  
I wanna hear it bad  
Trying to find a balance  
Somewhere in my life  
The frozen stare of a beer caught in a headlight  
Gotta keep on going  
We ain't born to lose  
I feel like a genius trapped in the body of a fool  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news  
Sado methodist - spreading bad news
