

# Intro

## The Herbaliser

BING!

you see, the deep space beam is useless, all channels  
All I can get is static or variations on the central musical rhythm

going on and on to the rhythm we're ????

people they take with the beatbox pass

big stuff  
my ideas are polished

people they take with the beatbox pass  
people they take with the beatbox pass

big stuff  
my ideas are polished
