

Demonoid Phenomenon (Sin Lives)

Rob Zombie

Hell on Earth
For What It's Worth
Dead on Dreaming
You started screaming
The wizard of how
The king of the now
Cry like a banshee
And die like you want me Violator
Desiccator
Turn around and meet the hater
Violator
Desiccator
Turn around and Demonoid Phenomenon
Get it out
Get it on
Demonoid Phenomenon
Get it out
Get it on The conquering worm
The slithering germ
Lost in black sleep
I see how the gods weep
The horror of Madness
The Terminal Sadness
The cool air of mourning
Gave me the warning Violator
Desecrator
Turn around and meet the hater
Violator
Desecrator
Turn around and Demonoid Phenomenon
Get it out
Get it on
Demonoid Phenomenon
Get it out
Get it on Violator
Desecrator
Turn around and meet the hater
Violator
Desecrator

Turn around and Demonoid Phenomenon

Get it out

Get it on

Demonoid Phenomenon

Get it out

Get it on
