

Do It 2 Me

Allstar Weekend

I can feel your heartbeat as we intertwine,
Like the beat of a million drums marching in line.

Everything is spinnin'

Just in perfect time.

Yeah the music is finally coming alive.

The way your hair just dances through the breeze.

And the place your going is where I wanna be.

And you know without you I'd be incomplete.

I want it,

I need it,

I'm begging you please.

You do it,

You do it,

You do it to me.

There's something about the way you sleep,

When you're lying next to me.

I don't know how you do your thing,

No.

But you do it,

You do it,

You do it to me. (Yeah!)

You do it,

You do it,

You do it to me.

You do it to me.

You do it to me.

You can feel me tossin' and turnin',

Tell me I'll be alright.

And the flame from a million sparks has to ignite.

And the world of a boy and a girl starts to collide.

Yeah, the fire is finally burnin' tonight.

And I like when you're screamin',

"Whoa whoa!"

Backseat you're pinnin' me down.

(Oh-Oh-Oh-Oh)

I can feel your eyes,

And they're undressing me.

I want it,

I need it,

I'm begging you please.

You do it,

You do it,

You do it to me.

There's something about the way you sleep,

When you're lying next to me.

I don't know how you do your thing, No.

But you do it,

You do it,

You do it to me. (Yeah!)

You do it,

You do it,

You do it to me.

You do it to me.

You do it to me.

The way you walk,

The way you talk,

The way you groove,

You're not afraid to move.

The way you shake,

Shake it down,

Mix it up.

You know there's something about

The way you live,

The way you laugh,

The way you love,

You're not afraid to, "Whoo!"

The way you kiss,

Lick your lips,

Twist your hair.

You know there's something about the way you sleep,

When your lying next to me.

I don't know how you do your thing.

There's something about the way you sleep,

When your lying next to me.

I don't know how you do your thing,

No.

But you do it,
You do it,
You do it to me. (Yeah!)

You do it
You do it
You do it to me.
You do it to me.
You do it to me.

The way you walk,
The way you talk,
The way you groove,
You're not afraid to move.
The way you shake,
Shake it down,
Mix it up.
You know there's something about
The way you live,
The way you laugh,
The way you love,
You're not afraid to, "Whoo!"
The way you kiss,
Lick your lips,
Twist your hair.
You do it to me.
