

The Way You Move

Kenny G

Kenny G say like this...

I like the way you move...
I like the way you move...
I like the way you move...
I like the way... I like the way...

I like the way you move...
I like the way you move...
I like the way you move...
I like the way... I like the way...

Hey, baby, girl, don't you stop it
Come on, lady, dance on the top
Make it fine (you're so fine)
Blow my mind (you're so fine)
Ooh, yeah (out of my mind)
Out of my mind (out of my mind)

If I could, ahn... (just would be with you)
Would be with you (baby), baby...
Cause you likely, you excitely
And you know, gotta leave, ooh...

I like the way you move...
I like the way you move...
I like the way you move...
I like the way... I like the way...

I like the way you move...
I like the way you move...
I like the way you move...
I like the way... I like the way...

You know your love light is my life
I love the way you make me feel, it's alright
Your kiss will always shine like the light
I like the way you show me, I like the way

I like the way you move...

I like the way you move...
I like the way you move...
I like the way... I like the way...

I like the way you move...
I like the way you move...
I like the way you move...
I like the way... I like the way...

Show off back the way you move...
Like the way you move...
Like the way you move...
Yeah, eh, eh... oh, yeah...
