

You Shouldn't Do That

Hawkwind

You shouldn't do that, should do that
You try so hard to get somewhere,
They push you around and cut your hair,
You want to be free, but they just don't care,
You're trying to fly, you get nowhere,
You get no air, you're getting aware.
You shouldn't do that, should do that.
You want so hard to get somewhere,
With trees and flowers growing there,
If you can't make it you're going spare,
You're trying to fly, you get nowhere,
You get no air, you're getting aware.
