

The Man With the Child in His Eyes

[Kate Bush](#)

I hear him before I go to sleep
And focus on the day that's been
I realize he's there
When I turn the light off and turn over Nobody knows about my man
They think he's lost on some horizon
And suddenly I find myself
Listening to a man I've never known before Telling me about the sea
All his love 'til eternity Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes He's very understanding
And he's so aware of all my situations
And when I stay up late
He's always waiting but I feel him hesitate Oh, I'm so worried about my love
They say, "No, no, it won't last forever
And here I am again, my girl
Wondering what on earth I'm doing here"
Maybe, he doesn't love me
I just took a trip on my love for him Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes
