

# The Way Old Friends Do

**Faryl Smith**

You and I can share the silence  
Finding comfort together  
The way old friends do  
I always turn to you for guidance  
We stand up for each other  
The way old friends do  
Times of joy and times of sorrow  
We will always see it through  
Oh I don't care what comes tomorrow  
We can face it together  
The way old friends do  
You and I can share the silence  
Finding comfort together  
The way old friends do  
I always turn to you for guidance  
We stand up for each other  
The way old friends do  
Times of joy and times of sorrow  
We will always see it through  
Oh I don't care what comes tomorrow  
We can face it together  
The way old friends do  
We can face it together  
The way old friends do
