Get Down

[Blue](#)

Yo, c'mon, c'mon
That's right, ya
C'mon, c'mon
Check this outI'm not the kind of guy
You can take for granted
But if you treat me right
I'll give you what you wantedIt's not the way I am
To tell you what I'm feeling
But if you really care
You'll know what I'm meaningThink again before you get
The wrong impression on your mind
Think again, don't walk away
I'm not foolingIf you wanna get down with me
Let the love come naturally
We can get back what we had
You cannot deny itSay you wanna get down with me
Close your eyes and you will see
It can be just like before
You just got to try itYeah, that's right
C'mon, check it outYou heard it all before
But this time I can change, girl
I'll show you so much more
Love you've never seen nowI got so much to give
I want a chance to prove it
Reach out and take my hand
I never want to lose itThink again before you get
The wrong impression on your mind
Think again, don't walk away
I'm not fooling, I'm not foolingIf you wanna get down with me
Let the love come naturally
We can get back what we had
You cannot deny itSay you wanna get down with me
Close your eyes and you will see
It can be just like before
You just got to try itIf you wanna get down with me
Let the love flow naturally
We will get back to what we have
You know, girl, it ain't that badTo let me tell what I'm gonna do
I'm gonna pull you close

I'm gonna ground you slow, oh
Feel our bodies in harmony
C'mon girl, get down with meThink again before you get
The wrong impression on your mind
Think again, don't walk away
I'm not, I'm not foolingIf you wanna get down with me
Let the love come naturally
We can get back what we had
You cannot deny itSay you wanna get down with me
Close your eyes and you will see
It can be just like before
You just got to try itIf you wanna get down with me
Let the love come naturally
We can get back what we had
You cannot deny itSay you wanna get down with me
Close your eyes and you will see
It can be just like before
You just got to try it
