Stolen (Syklone Remix)

[Jay Sean](#)

You were my eyes when I couldn't see
You were my air when I couldn't breathe
But you always knew what you meant to me
(Haaa-ah-ah)You were my strength when I was down
And you made me humble when I wouldn't bow
I held on to your promise that you'd be around
(Ah, ah, ..., ah, ah)Where were you when I was alright
Tell me, you knew I was alright
You, left me thinking I'd be alright
Won't you come back to me
Ohhh...[Chorus:]
It's crazy but I'm falling apart
It's crazy how your leaving me scarred
It's crazy girl wherever you are
You stole, my heart
It's crazy but I'm going insane
Feeling lost confused and ashamed
It's crazy, hope your feeling my pain
You stole, my heart(Stolen)
Just like the moments...
(Stolen)
You never were there
(Stolen)
You took away my heartI was feeling lost in my own world
Neglecting your needs only once girl
If only we could try again once more
Ohhh... (Ohhh...)
Now It's the same sad story that we all know
How lovers make mistakes watch it all blow
Now I don't wanna be the one to let it all go...You know where were you when I was alright
Tell me, you knew I was alright
You, left me thinking I'd be alright
Won't you come back to me
Ohhh...[Chorus](Stolen)
Just like the moments...
(Stolen)
You never were there
(Stolen)
You took away my heart

(Ah,ah, ..., ah,ah)No man can live without blood running through his veins
(Through his veins)
And it's hard to remember the summer now here is rain
I don't know how much longer that I can wait
It's a feeling... between love and hate
Oh-whoa-whoa...[Chorus](Stolen)
Just like the moments...
(Stolen)
You never were there
(Stolen)
Girl, you took away my heart
(Ah, ah, ..., ah, ah)
