

Everytime I Close My Eyes

Babyface

Girl, it's been a long, long time comin' yes it has

But I, I know that it's been worth the wait yeah

Yeah

It feels like springtime in winter

It feels like Christmas in June

It feels like heaven has opened up it's gates for me and you yeah And every time I close my eyes

I thank the lord that I've got you, yeah

And you've got me too (You've got me too)

And every time I think of it, I pinch myself 'cause

I don't believe it's true yeah

That someone like you loves me too yeah Hoooh yeah Hoo huh I think that you're truly somethin', yes you are hoo

And you're, you're every bit of a dream come true yeah

With you baby, it never rains and it's no wonder

The sun always shines when I'm near you

It's just a blessing that I have found somebody like you And every time I close my eyes

I thank the lord that I've got you yeah

And you've got me too (You've got me too)

And every time I think of it, I pinch myself 'cause

I don't believe it's true yes

That someone like you loves me too To think of all the nights, I've cried myself to sleep, yes

You really oughtta know how much you mean to me

It's only right that you be in my life right here with me

Oh baby, baby yeah hoo Hoo and every time I close my eyes

I thank the lord that I've got you baby yeah

And you've got me too baby

And every time I think of it, and I pinch myself 'cause

I don't believe it's true

That someone like you loves me too yeah ey yeaah hoo Loves me too
