Vintage Future

The Intelligence

All that I want is a vintage future
Where people get gutted but refuse the suture
All that I want is a vintage future
Where life gets brighter 'cause the colors are neutral
Aaah
All that I want is a vintage future
Where everything is (spastic vocals) -ter
All that I want is a vintage future
Where the well just wiggles and it keeps geting looser
Aaah
All that I want is a vintage future
Where pinapples wear dresses and they keep getting cuter
Aaah
All that I want is a vintage future
Where coconuts are currency and our jokes get ruder
All that I want is just learning how to love
