

Electric Ocean

The Cult

Oh yeah
Oh yeah Standin' at the shore
A hurricane calls my name
Beyond all I dream
The electric ocean
Oh yeah, oh yeah The spirit is free
Where the wild things roam
Next to the sea
The electric ocean Ocean of love
(Ocean of love)
I'm thinkin' of
(I'm thinkin' of)
The place to be
(The place to be)
Electric sea Oh, yeah yeah yeah yeah
Ocean of love
(Ocean of love)
I'm thinkin' of
(I'm thinkin' of)
The place to be
(The place to be)
Electric, electric sea, oh yeah
Kick sound Ocean of love
I'm thinkin' of
The place to be
The electric sea Ocean of love, yeah baby
(Ocean of love)
I'm thinkin' of
(I'm thinkin' of)
The place to be
(The place to be)
The electric, the electric sea
