# Talk Is Cheap

## Comeback Kid

Your debt's escalating
Whisper no regrets
Run your mouth in circles
You're chewing, chewing the fleshYour talk is cheap and it's going nowhere
Think you're out changing the world
Choking on each word you spitThose basement dwelling days are so far from me
Moving mountains in your head
Buying into all that's saidDive, sink, drown
Caught up in this lie
Dive, sink, drown
Caught up in this life outside your ownYour talk is cheap and it's going nowhere
Think you're out changing the world
Choking on each word you spitConvinced of your false visions
You're the sucker
Keep talking
Keep talking away
Keep talkingCashing in all your petty words
It's so far from me
Living like you're dead
