

That's All (with Michael Feinstein live on NPR)

Rumer

I can only give you love that lasts forever
And a promise to be near each time you call.
And the only heart I own, for you and you alone
That's all, that's all
I can only give you country walks in spring time
And a hand to hold when leaves begin to fall
And a love who's burning light
Will warm you through the night
That's all, that's all
There are those I am sure, who have told you
They would give you the world for a toy
All I have are these arms to enfold you
And a love time can never ignore.
If you're asking in return what I would want dear
You'll be glad to know that my requests are small
Say it's me that you'll adore for now and ever more
That's all, that's all
That's all, that's all
