

Hitchhike Love

A Giant Dog

When Injustice got into town
hitchhike love

I tell you im oan be a ...
hitchhike love

I know I can't do you wrong
cause I barely know your name
and I hope you feel the same

I've only known you for a while, grown accustom to your style let's not pretend like we're in love
ya know some people pay for hitchhike love
tonight I look like ion woahh hitchhike love

I know I can't do you wrong
cause I barely know your name
and I hope you feel the same

I've only known you for a while, grown accustom to your style, lets not pretend like we're in love

I know I can't do you wrong
cause I barely know your name
and I hope you feel the same

I've only known you for a while, grown accustom to your style, lets not pretend like we're in love
