I am not Alone

Seeed

You are here in my heart
You're the light that guides me through the dark
You walk beside me, the night seems cold each time I fall
Your arms are there to holdYou walk beside me, giving strength I've never known
And I am not alone
You walk beside me
(I am not alone)You are here in my mind
I talk to you and all my fears unwind
I know I'm loved, for who I am, you make me want to be the best that I can
And you walk beside me, giving strength I've never knownAnd I am not alone
You walk beside me
Oh, I am not alone
Wherever the road leadsAnd I rely on your patience
When I face the unknown
And because of you, I am, I am not alone, ooh
I am not alone
(I am not alone)You're always beside me, yeah, I am not alone
Oh yeah, yeah in the sun, in the rain
(I am not alone)
Through the good times and in the pain
You're always beside me I reach out for your hand
(I am not alone)
I know that you understand, oh yeah, yeah
(I am not alone)In the sun, in the rain
Through the good times and in the pain
You're always beside me I reach out for your hand
(I am not alone)
I know that you understand, oh
