Hand in Glove

Sandie Shaw

Hand in glove
The sun shines out of our behinds
No, it's not like any other love
This one is different because it's us

Hand in glove
We can go wherever we please
And everything depends upon
How near you stand to me

And if the people stare
Then the people stare
Oh, I really don't know and I really don't care

Hand in glove
The good people laugh
Yes, we may be hidden by rags
But we've something they'll never have

Hand in glove
The sun shines out of our behinds
Yes, we may be hidden by rags
But we've something they'll never have

And if the people stare
Then the people stare
Oh, I really don't know and I really don't care

So, hand in glove Iâ€™ll stake my claim
I'll fight to the last breath
If they dare touch a hair on your head
I'll fight to the last breath

For the good life is out there somewhere
So Iâ€™ll stay on your arm, â€˜cause youâ€™re so charming
But I know my luck too well
Yes, I know my luck too well
And I'll probably never see you again
I'll probably never see you again

No, I'll probably never see you again
