What Doesn't Kill You

Jake Bugg

Stepped out the door 2am yesterday
Me and my friend keeping the night aflame
And as we're walking in the clear lamplight
Two guys come up and take him out of sightFore I know what's what
They hit him hard, he doubles up
They take his money and they run
And all I can do is watch them go
His hands are round his nose
His blood is on his clothesWhat doesn't kill ya?
What doesn't hurt?
Sometimes you feel you're up against the world
What doesn't kill ya?
What doesn't break?This life it seems can bring you to your knees
You try you bleed, then finally you breatheShe was the dream that kept me up at night
I couldn't face the world without her eyes
I never knew until she disappeared
My life would be a bunch of souvenirsFore I know what's what
It hits her hard, she doubles up
She packs her bag and then she runs
And all I can do is watch her go
I've lost all I ownWhat doesn't kill ya?
What doesn't hurt?
Sometimes you feel you're up against the world what doesn't kill ya?
What doesn't break?
This life it seems can bring you to your knees
You try you bleed, then finally you breathe
