

Naked

Jon Bon Jovi

My friend had a girlfriend
She liked her drink
Sucked the head off her lager
Threw me a wink
And she said to me "buddy, what's your sign?" "I was off I was runnin'
Knocked me clean off my feet
Her tongue kept on selling
What any blind man could see
I just kept on stumbling through the stop signs She said "what you hiding underneath that shirt?"
Right behind the buttons there's a heart that hurts
Adam's evening left the curse
Take it off make it work
Naked, naked, just get back to basics
Naked, face it, you can't fake it when you're naked
Naked, face it
All I'm saying The tail you been chasing
Put the k back in kink
Threw a coin in her jukebox
I started to think
She just smiled and offered me a peace sign How far you gonna run in those designer shoes
The soul with holes ain't gonna be the one you lose
I don't know which one is worse
Adam, me or you Naked, naked, just get back to basics
Naked, face it, you can't fake it when you're naked
Naked, face it
All I'm saying Take it, embrace it
Baby, here we are
Can't you almost, taste it Naked, naked, just get back to basics
Naked, face it, you can't fake it when you're
Naked, naked, naked, naked
