

In the Morrow (Includes 30 Seconds of Silence)

Brandi Carlile

Found myself today
I took my cross up and walked away
with amazing grace and an open eye
Even though I was born to lose my way
tomorrow comes on a hurricane
But the weight of the worlds been on your mind
In the morrow Ill be gone
I gave it everything I had for so long
Save your sorrow for your song
Dont we always find a way to carry on?
No-one sees it coming
And no-one walks when they shouldve been running
And nothing hurts like knowing you tried
You can see how years could slip away
In the cold dark nights and the long hard days
But nothing aches quite like goodbye
In the morrow Ill be gone
I gave it everything I had for so long
Save your sorrow for your song
Dont we always find a way to carry on
In the morrow Ill be gone
I gave it everything I had for so long
Save your sorrow for your song
Dont we always find a way?
In the morrow Ill be gone
I gave it everything I had for so long
Save your sorrow for your song
Dont we always find a way to carry on?
Dont we always find a way to carry on?
