

# Can't Sleep Tonight

## Allstar Weekend

Saturday, it's getting late  
You gotta get home, get on your way  
That kinda sucks, wish you could stay  
But yeah, I get it, you're just not ready  
You say, "Baby steps" and I keep waiting, yup  
I'm not complaining  
I know you'll be worth it, tossing and turning  
I lay down  
You're the first thing that pops in my mind  
I'm stuck on you, you're all around  
I can still see you with the lights out, lights out  
'Cause I can't sleep tonight  
When I can't sleep, it's like I'm dreaming  
'Cause I can't sleep tonight  
No, I can't sleep and you're the reason  
So when I stay awake, know it's from you  
I've been running all day, it's no use  
'Cause I can't sleep tonight  
So tell me can you sleep  
Tell me can you sleep, tonight?  
Back in class, we'd yap it up  
I saw you every day, wasn't enough  
And after lunch we'd take the top down  
I go to touch, you put your guard down  
It's time I take a step  
It just gets better yet you drive me crazy  
I know you'll be worth it, I'm tossing and turning  
I lay down  
You're the first thing that pops in my mind  
  
I'm stuck on you, you're all around  
And I can still see you with the lights out, lights out  
'Cause I can't sleep tonight  
When I can't sleep, it's like I'm dreaming  
Yes, I can't sleep tonight  
No, I can't sleep and you're the reason  
So when I stay awake, know it's from you  
I've been running all day, it's no use  
Because I can't sleep tonight

So tell me can you sleep  
Tell me can you sleep, tonight?  
As if you can or wanna know exactly how you do  
I'm wide awake, can't take always thinking of you  
Are you there? Can you feel me?  
Or when I wake up will I still be dreaming?  
Oh, oh, I don't wanna still be dreaming, yeah  
'Cause I can't sleep tonight  
When I can't sleep, it's like I'm dreaming  
Yes, I can't sleep tonight  
No, I can't sleep and you're the reason  
So when I stay awake, know it's from you  
I've been running all day, it's no use  
Because I can't sleep tonight  
So, tell me can you sleep?  
Tell me can you sleep, tonight?  
Oh, oh, tell me can you sleep tonight?  
Oh, oh, tell me can you sleep tonight?  
Tell me can you sleep tonight?
