

Brown Eyed Girl

Everclear

Sha la la la la la la la la la la

Sha la la la la la la la la la la

Go!

I hear a song makes me think of a girl I used to know

I sing along when I hear it on the radio now

Hey now where did we go?

Ooh yeah, days when the rains came

Way down in the hollow

Ooh yeah, playin' a new game

Laughin' and a runnin', hey, hey, hey

Skippin' and a jumpin', yeah, yeah

In the misty morning fog

Oh baby and our hearts a thumpin'

And you my brown eyed girl

You, my brown eyed girl

Do you remember when

We used to sing

Sha la la la la la la la la la la

Sha la la la la la la la la la la

I hear a song makes me think of a girl I used to know, hey, hey, hey

I sing along when I hear it on the radio now

Ooh, now that the years gone by

Yeah, now that I'm on my own

Saw you just the other day

Oh my, baby you have grown

Cast my memory back there, Lord

Sometimes I am overcome just thinkin' 'bout it

Makin' love in the green grass

Behind the stadium with you

My brown eyed girl

You, my brown eyed girl

You, my brown eyed girl

Do you remember when

Yeah, we used to sing

Sha la la la la la la la la la la

Sha la la la la la la la la la la

Sha la la la la la la la la la la

I hear a song makes me think of a girl I used to know, hey, hey, hey

I sing along when I hear it on the radio, hey, hey, hey

I sing along when I hear it on the radio
I sing along when I hear it on the radio now
I sing along when I hear it on the radio now
