Fool Me No More (Burn Out)

Slick Shoes

What makes you think you're fooling me?
Do you think I was born yesterday?
When I look at you all that I can see is what you try to be
Why can't you just stop acting like you care?'Cause you don't know what you're saying
Nothing keeps you up at night
'Cause you don't know what you're saying
But you think it's rightYou try to pretend that you're still my friend
But I know you're not
All those times you said you would be there
Just go lie to someone else now
I can see right through your shallow lies
You can't fool me no more
