

Don't Feed the Bear

Derby

Don't feed this hype
because she's really not your type

She's a loner with a pretty face in tow
I'm so crazy low I've got nothing more to show
I'm a cigarette that's empty in its home

Don't feed the bear, she'll mess you up
Don't feed the bear, she'll mess you up

It happened oh so quick
you're a charm, but not so thick
that we'll crumble and just spread upon the floor

If she might be made
only some day to be saved
like a shirt that's never worn and thrown away

Don't feed the bear, she'll mess you up
Don't feed the bear, she'll mess you up

She's spinning lines
It happens all the time
It eats me up
inside

She's spinning lines
It happens all the time
It eats me up
inside

But still
I try

But still
I try

Don't feed the bear, she'll mess you up
Don't feed the bear, she'll mess you up
Don't feed the bear, she'll mess you up

Don't feed the bear, she'll mess you up

You're much better off than me
Living off your family dynasty
You're much better off than me
Living off your family dynasty
