

# Saving Amy

Brantley Gilbert

Amy's got the letters I wrote  
My picture in a frame  
She's had a year to let go  
She still wearing my ring  
It hasn't left her finger since the night that I proposed  
When I promised her forever before I took her home  
But I never made it home that night  
A part of her died too  
I watched her losing her mind  
And there's nothing I can do  
Yeah sometimes she goes crazy screaming out my name  
Saying baby please come and save me  
I wish she knew I'd do anything To kiss the tears right off her face  
Tell her everything's okay  
Feel her heartbeat next to mine  
And make up for lost time  
Oh but God I know I can't  
But you can't let her live this way  
It's too late for saving me  
But there's still hope for saving Amy Now three years have gone by  
She's finally living life  
And I still watch her sometimes  
Just to make sure she's alright  
She knows I'll always be there  
In her heart and in her dreams  
'Cause God, I promised her forever and that's one promise I intend to keep And kiss the tears right off her face  
Tell her everything's' okay  
Feel her heartbeat next to mine  
And make up for lost time  
Oh but God I know I can't  
But you can't let her live this way  
It's too late to save me  
But there's still hope for saving Amy I'll kiss the tears right off her face  
When I walk her through these gates  
Feel her heartbeat next to mine  
Make up for lost time  
God I thank you everyday  
For giving her that ounce of faith  
That led her right back here to me

And most of all for saving Amy  
Amy, saving Amy  
Thank you God for saving Amy  
For saving Amy  
Thank you God for saving Amy  
For saving Amy yeah  
For saving Amy  
For saving Amy  
Saving Amy  
Thank you God for saving Amy
