Ashtray Wasp

Burial

(All right, bye)[1]
Oooh, woah, oh, oooh...
I want you
I belonged! (to you)
Now!
I used to belong! (to you)
No, no, no, no, no, no, no!
Because
Wish I could hurt you
No, oooh, now, I belong (to you)[2]
And darkness starts falling
When I hear your name
Ah, hey... oh no... (helping you)[3]
Turning underwater
I wanna hear my lost first song
I wanna hear my lost first song
Turning underwater
I wanna hear my lost first song
I wanna hear my lost first song
(I don't wanna be)
