Rollin'

Maria Daines

I been ripped up, roughed up, & run right outa town.
I been pushed to the top, then dropped right on the ground,
but I'm rollin'

Yah, yah, yeah, I'm rollin'

There ain't nothin' I can loose, & I sure got the blues,
'Cause I'm rollin'

I been jumped on, called on & shut behind the door.
I been nailed at the station by the long arm of the law,
but I'm rollin'

Yah, yah, yeah, I'm rollin'

There ain't nothin' I can loose, & I sure got the blues,
'Cause I'm rollin'

Ya, if you think you got it bad, take a look my way.
Ya still don't understand that it ain't my day.

Goin' to the bar where the big boys roll.
Gettin' me on time with some whiskey & soul.

I been blinded, winded, lost a line of teeth.
I been rushed because time didn't call for the beat,
but I'm rollin'

Yah, yah, yeah, I'm rollin'

There ain't nothin' I can loose, & I sure got the blues,
'Cause I'm rollin'

Yah

Ya, if you think you got it bad, take a look my way.
Ya still don't understand that it ain't my day.

Runnin' to to the bar where the big boys roll.

Gettin' me on time with some whiskey & soul.

I been mashed up, bashed up, & broken into two.
I didn' know I was pretty till I took a look at you
When I'm rollin'

Yah, yah, yeah, I'm rollin'

There ain't nothin' I can loose, & I sure got the blues,
'Cause I'm rollin'

Yeah

I been mashed up, bashed up, & broken into two.
I didn' know I was pretty till I took a look at you
When I'm rollin'

Yah, yah, yeah, I'm still rollin'

Baby,

There ain't nothin' I can loose, & I sure got the blues,
'Cause I'm rollin'

Hey,

Tell ya what boys... Yah baby... That's right...

rollin'

ye hoo

Get ya some of that.

Sure rollin'
