We're Not Supposed To (2015 Remastered Version)

Supergrass

We're not supposed to
Make friends with you
Because you look so lonely
So we're going to
Make friends with youWe're not supposed to
Talk to you
Because we know you're stranger
But you're no stranger
Than me or you
Than me or youBut everybody's going away
And everybody wants us to stay with you
And everybody's coming to say
And everybody's wants us to stay with youWe're not suppose to
Make love to you
Because we know you're younger
But you're no younger
Than me or you
Than me or you
Than me or you
