

Kicked to the Curb

Dropkick Murphys

I ain't got no money (nope)
I spent it all on you (oh)
I ain't got no money, honey
I don't know what to do I ain't got no girl
She kicked me to the curb (damn)
I ain't got no honey and
She took all my money I shake my fist at the sky
I smash my head on the wall
It doesn't change a god damn thing
'Cause I'm gone and lost it all So come on Sally
What you gonna do?
Break my heart and leave me
For another fool I ain't got no friends
They all left with you (yep)
I ain't got no dog (what?)
Yeah, you took him too I shake my fist at the sky
I smash my head on the wall
It doesn't change a god damn thing
'Cause I'm gone and lost it all So come on Sally
What you gonna do?
Break my heart and leave me
For some other fool I'll never find another
I put it all on you
Now you're gone and left me
For another fool So come on Sally
What you gonna do?
Now you've gone and left me
For another fool (Come on, come on)
Oh I ain't got no family
They told me to screw (screw)
I ain't got no enemies
They even left with you I shake my fist at the sky
I smash my head on the wall
It doesn't change a god damn thing
'Cause I'm gone and lost it all So come on Sally
What you gonna do?
Break my heart and leave me
For some other fool I'll never find another
I put it all on you

Now you've gone and left me
For another fool
