

# Ilsa Drown (feat. JÃ³n si)

## Death Vessel

Drown makes moves  
Large and hollow  
In deeper snow  
You are to know  
When they go it's so cold  
You are to know  
You'll be on for snow to come down  
Foolishly down, you are to know  
You are to know  
Drown in snow  
Dripping with cold souls  
Heart down, gapes built  
You ought to know  
How many have fail to replace you  
You listen for long??  
You'll be on for snow to come down  
Foolishly down, you are to know  
You are to know  
ILSA DROWN  
ILSA DROWN  
ILSA DROWN  
You'll be on for snow to come down  
Foolishly down, you are to know  
You are to know  
Foolishly down, you are to know  
You are to know
