

One Time (feat. Reekado Banks)

Young Paris

Yeah, yeah
yeah, yeah
yeah, yeah

let's hit rewind, bring that shit back here to me, one time

I see your body, but shit I'm blind
how can i want it but skip your mind
You must have something, that i can't find
I'm used to saying, i like it its mine
I'm used to moving on quick on that dime
Sipping tequila, and mix it with lime
then when she going, oh shit I'm fine
but now you, are something special

let me tell you why you leave with me
okay, how they don't know that you're my bae
okay, baby we can do this peacefully
for me,
just tell me who you wanna be, agree
Pull up, pull up bring it back one time, ã—8
pull up

Get your best friend, I'll get my best friend
we can meet up on the west end
have drinks on sabrose, I'll get out that saucer
let me pull out a chair for you,
let you know ama care for you
don't you pay ama pay for you
let you know I'll be there for you
only you, special
Major keys

let me tell you why you leave with me
okay, how they don't know that you're my bae
okay, baby we can do this peacefully
for me,
just tell me who you wanna be, agree
Pull up, pull up bring it back one time, ã—8
pull up

Girl you know, that you very hot

I really want to touch your body do me dirty
you satisfy my heart, you satisfy my soul
don't leave me hanging baby
the memories up in my head, banging all up in my head
don't leave me baby, girl i want to let you know today
your beautiful baby you slay baby yeah yeah
Wont stop baby till I fi yaaa
bring your body baby girl i wanna sign yaa

let me tell you why you leave with me
okay, how they don't know that you're my bae
okay, baby we can do this peacefully
for me,
just tell me who you wanna be, agree
Pull up, pull up bring it back one time, ã—8
pull up
