People Hold On

Coldcut

People hold onEverybody's looking for a meaning
Everybody's doing their own thing
And nobody's solving the problem
Ain't nobody helping each otherSome people give into fear
Some people give into hunger
Some of us live for the future
Some of us wonderGive a little light, give a little love
Maybe there's enough for everyone
Give a little hope, and a little trust
Maybe there's enough for everyonePeople hold on
Don't do yourself wrong
People hold on
We've got to be strong
People hold onEverybody's getting frustrated
Why should we live with this hatred
We've all dancin' on a thin line
They're makin' out, we're having a good time
So who's gonna give us the answer, sister and brotherGive a little life, give a little love
Maybe there's enough for everyonePeople hold on
Don't do yourself wrong
People hold on
We've got to be strong
People hold onPeople hold on
People hold on to it
People hold on
You know you gotta do itGive a little light, give a little love
Maybe there's enough for everyone
Give a little hope, and a little trust
Maybe there's enough for everyonePeople hold on
Don't do yourself wrong
People hold on
We've got to be strongPeople hold on
It won't be long
People hold on
We've got to be strongPeople hold on
Don't do yourself wrong
People hold on
