

# Push

## Sarkodie

I'm seeing too much of you lately  
And you're starting to get on my nerves  
This is exactly what happened last time  
And it's not what we deserve  
It's a waste of my time lately  
And I'm running out of words  
If it's really meant to be  
Then you can find a way to say  
That maybe you should just shut up  
Even when it gets tough  
Baby 'cause this is love  
And you know when push comes to shove  
It's gonna take the both of us  
Baby this is love, baby this is love, love, love, love  
It's really great to be with you  
This is how I could spend my life  
But I'm capable of taking care of myself  
So if you fuck this up then go take a hike  
It's a waste of my time shaking  
I'm not going out to search  
If it's really meant to be  
Then you can find a way to say  
That maybe you should just shut up  
Even when it gets tough  
Baby, 'cause this is love  
And you know when push comes to shove  
It's gonna take the both of us  
Baby this is love, baby this is love  
You and me, we can both start over  
Just the two of us, we can get a little closer  
So follow me, honestly and you will see  
That maybe you should just shut up  
Even when it gets tough  
Baby, 'cause this is love  
And you know when push comes to shove  
It's gonna take the both of us  
Baby this is love, baby this is love  
That maybe you should just shut up  
Even when it gets tough

Baby, 'cause this is love, this is love  
And you know when push comes to shove  
It's gonna take the both of us  
Baby this is love, baby this is love, love, love, love
