Country Song

Jake Bugg

Gonna sing you an old country song
From the heart
So I can cry at night and call you when I'm sad
When you have gone ridin' so far from me in the trees
So far

Walking down that old country lane
Drops of rain
call upon the ones who call you names
Will I see you again and please just come on back home to me
So I'm not all alone

Gonna sing you an old country song from the heart
From the strings of this old rusty guitar
