Easy Ride

The Dillards

I want the good life but I don't want an easy ride
What I want is to work for it
Feel the blood and sweat on my fingertips
That's what I want for me
I want to know everything, maybe someday I will
What I want is to find my place
Breathe the air and feel the sun on my children's face
That's what I want
I go round and round just like a circle
I can see a clearer picture
When I touch the ground, I come full circle
To my place and I am home, I am home
I want to let go of all disappointment that's waiting for me

What I want is to live forever
Not defined by time and space, it's a lonely place
That's what I want
I go round and round just like a circle
I can see a clearer picture
When I touch the ground, I come full circle
To my place and I am home, I am home
I go round and round just like a circle
I can see a clearer picture
When I touch the ground, I come full circle
To my place and I am home, I am home
I go round and round just, round and round just
