

Too Much 21st Century

Bauhaus

They all wanna be something better

 A better singer

 A better actor

 Better jobBetter money

 Better get her

 Better lover

 Better notToo much luck

 Too much conceit

 Give me one religion

 It's too much

 too much passion, informationToo much selfish

 Too much fake

 Too much computer

 Too much to take

 It's too muchToo much effort

 Too much pig

 Too much control, control

 It's too muchThey all wanna be something better

 A better singer

 A better actor

 Better jobBetter money

 Better get her

 Better lover

 Better notReally, a better human

 It's too much

 It's too much

 Ah yeah, ah yeah
