

Annabelle

Nat "King" Cole

The wind rose a kiss to your hair, Annabelle
But mine was a kiss of despair, Annabelle
Because I want you so
And you say noThe skies lift their smiles to your eyes, Annabelle
My smiles are my tears in disguise, Annabelle
For I am wanting you near me
But you never hear meI love you Annabelle
I love you AnnabelleThe skies lift their smiles to your eyes, Annabelle
My smiles are my tears in disguise, Annabelle
For I am wanting you near me
But you never hear me
