

# All Around Me

## Lange feat. Betsie Larkin

My hands are searching for you  
My arms are outstretched towards you  
I feel you on my fingertips  
My tongue dances behind my lips for you  
This fire rising through my being  
Burning, I'm not used to seeing you  
I'm alive  
I'm alive  
I can feel you all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing  
My hands float up above me  
And you whisper you love me  
And I begin to fade  
Into our secret place  
The music makes me sway  
The angels singing say we are alone with you  
I am alone and they are too with you  
I'm alive  
I'm alive  
I can feel you all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing  
And so I cry  
The light is white  
And I see you  
I'm alive  
I'm alive  
I'm alive  
I can feel you all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healing  
Take my hand, I give it to you  
Now you owe me, all I am  
You said you would never leave me  
I believe you, I believe

I can feel you all around me  
Thickening the air I'm breathing  
Holding on to what I'm feeling  
Savoring this heart that's healed
