Lazyboy

Amy Ray

If a tree falls well, you're not gone
At least for me, I didn't hear
It's a long break and some time away
With some things to repairAnd it's a lazyboy and a big mistake going round
And a funny stare and your beauty shop hair coming downJoyful joyful but not feeling it at all
And there's some things that don't mend
Squander the days in a wrongful haze
To distract and suspendAnd it's a lazyboy and a big mistake going round
And a funny stare and your beauty shop hair coming downAnd it's a lazyboy and a big mistake going round
And a funny stare and your beauty shop hair coming down
