

# Lazyboy

## Amy Ray

If a tree falls well, you're not gone  
At least for me, I didn't hear  
It's a long break and some time away  
With some things to repairAnd it's a lazyboy and a big mistake going round  
And a funny stare and your beauty shop hair coming downJoyful joyful but not feeling it at all  
And there's some things that don't mend  
Squander the days in a wrongful haze  
To distract and suspendAnd it's a lazyboy and a big mistake going round  
And a funny stare and your beauty shop hair coming downAnd it's a lazyboy and a big mistake going round  
And a funny stare and your beauty shop hair coming down
