Gonna Do It Soon

Ash

I can't get to sleep
There's someone talking to me
Such a dirty thing to do
You know I'm gonna do it soon
Whispers in my ear
I've got no one to fear
Such a dirty thing to do
You know I'm gonna do it son
I'm gonna wait for you
And then I'm gonna give it to you
I'm gonna do it soon [x2]
