Levellers

You're there in black and white
Hundreds watch you every nightYou've been starring in a film on every weekend
On video and stills with all of your friends
You're there in black and white
Hundreds watch you every nightYou cannot hide
You cannot hide
You cannot'Cos we can see you every where in the daytime
We can see you every where in the nighttime
We can see you every where for a lifetime
We can see you every whereYou're great in every scene
You very natural
It's as if you cannot see
The spotlight on youBut when you fluff a line
The director says, you're doing timeYou cannot hide
You cannot hide
You cannot'Cos we can see you every where in the daytime
We can see you every where in the nighttime
We can see you every where for a lifetime
We can see you every whereWhen you're walking home
In the evening after dark
Remember don't hide
Show your best side'Cos you're the star in a filmYou cannot hide
You cannot hide
You cannot hide
You cannot hideYou cannot hide
You cannot hide
You cannot'Cos we can see you every where in the daytime
We can see you every where in the nighttime
We can see you every where for a lifetime
We can see you every where
