Translation:

[TOP]

It's been a while. Seems like you're doing better since I've seen you last.
You got prettier too, though you always looked beautiful in my eyes

[GD]

But you seem a little different today; you seem unusually cold
The gaze you put on me is full of pity, in front of you, I look small

[TOP]

I act like it's fine, I try to change the subject.

[GD]

I have a lot I want to ask, but you cut me off.

[TOP]

Your hair flows in the wind, and it hits me on my cheeks and leave.

[GD]

You turn around and leave just like that, would I look silly if I try to hold you back?

<http://michelia94.wordpress.com>

[Taeyang]

I can't think of anything to say, Trembling, you take two steps back.
Your words that you are afraid of me, You are the one that makes me crazy

[Daesung]

I love you, baby I'm not a monster
You know the old me, When the time passes, I will have to disappear, You'll know then baby

[Taeyang]

I need you, baby I'm not a monster
You know me, It ends, but if you leave me like this, I will die
I'm not a monster.

[Seungri]

You say, let us be together forever no matter what happens.
You say, let us be together when we're happy and when we're sad.
You don't (won't) say that tomorrow..
I say, let's love today as if it's the last day.

[GD]

Yo, the world without you is like a capital punishment
The world doesn't go correctly without you
Your existence has become an incurable illness for me

[TOP]

Everyone may look at me with judging eyes,
but what really hurts is the fact that you have become a part of that ~everyone.

[Daesung]

I love you, baby I'm not a monster
You know the old me, When the time passes, I will have to disappear, You'll know then baby

[Taeyang]

I need you, baby I'm not a monster
You know me, It ends, but if you leave me like this, I will die
I'm not a monster.

[Seungri]

Don't go, Don't go, Don't go, Don't leave me
Don't do this, Don't do this, Don't do this, You don't seem to be yourself

[Daesung]

Still far apart, With love still divided

[Seungri]

Don't look for me, Don't look for me, Don't look for me, Don't look for me
Last, last, last

[Taeyang]

Please remember the me that stood next to you

Please don't ever forget me

<http://michelia94.wordpress.com>

[Daesung]

I love you, baby I'm not a monster

You know the old me, When the time passes, I will have to disappear, You'll know then baby

[Taeyang]

I need you, baby I'm not a monster

You know me, It ends, but if you leave me like this, I will die.

I'm not a monster.

[GD]

I think I'm sick, I think I'm sick.

I think I'm sick, I think I'm sick.
