

Love Will Make You Go Blind

Milk 'n Blues

I got me the man of my life
Man of so many lies
One that I was lucky to find
Love will make you go blind
I've waited for so long
For a love that was deep in my soul
Oh, no....

I aint got a thing to complain
Oh, he's done it again
Good men like this are so few
Oh, if only you knew
I would die for you, Baby
I'll do all that you ask, yes I swear
Don't you dare....

Yeah!
He gets me out of control
Yeah!
I just can't do without him
Yeah!
That is just one-and-one, don't you know...?

- Harmonica Solo -

Oh, he is the man of my life
Love will make you go blind
I aint got a thing to complain
He'll cause you nothing but pain
For him it's no more than a game
I feel so safe by your side
I'm in love and there's no need to hide
Oh, my, God knows how many times I've tried
You really think it's the end...

Yeah!
He gets me out of control
Yeah!
I just can't do without him
Yeah!

That is just one-and-one, don't you know...?

Say what?

Yeah!

He gets me out of control

Yeah!

I just can't do without him

Yeah!

That is just one-and-one, don't you know...?

You don't really need a man like him

You couldn't get a better man; If you can, 'cause I doubt you can

There's no way to talk her out of this

I don't want; I don't care; and I don't give a damn

- Guitar Solo -

Yeah!

He gets me out of control

Yeah!

I just can't do without him

Yeah!

That is just one-and-one, don't you know...?

Yeah!

Yeah; out of control

Yeah!

I just can't do without him

Yeah!

That is just one-and-one, don't you know...?

Yeah, yeah, yeah, yeah!
