It's Your Love

Lmnt

Dancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, oh touch my skin
And asking you to do
What you've been doin' all over againOh it's a beautiful thing, I don't think I can keep it all in
I just gotta let you know what it is that won't let me goIt's your love, it just does something to me
It sends a shock right through me, I can't get enough
So if you wonder about the spell I'm under
(It's your love)Better than I was, more than I am
And all of that happened by taking your hand
And who I am now is who I wanted to be
And now that we're together
I'm stronger than ever, happy and freeOh it's a beautiful thing, I don't think I can keep it all in
If you asked me why I've changed
(Why I've changed)
All I gotta do is say your sweet nameIt's your love it just does something to me
It sends a shock right through me, I can't get enough
So if you wonder about the spell I'm under
Oh, it's your love, yeah
Yeah yeah yeahOh, it's a beautiful thing, I don't think I can keep it all in
I just gotta let you know
(Gotta let you know)
What it is that won't let me goIt's your love it just does something to me
It sends a shock right through me, I can't get enough
So if you wonder about the spell I'm under
(Oh)
Oh, it's your love, yeah
(Your love)
It's your love, oh yeah yeah
It's your love
