

Myself

KaraÂ´s Flowers

I have told all of my enemies

Very politely, to go home

I have seen all of your remedies

Now won't you let me please go homeI can't find anything to be sad about

They say I'm doomed but I feel fineI have tried so very hard as hell

To stay away from hell and live upstairs

But when I see all of your remedies

I try quite desperately to go homeI can't find anything to be sad about

They say I'm doomed but I feel fineBut if I'm sitting here lonely

With no-one to hold me

At least I'll have my health

I'm trying to control myselfI have told all of my enemies

Very politely, to go home

I have seen all of your remedies

Now won't you let me please go homeI've been acting irresponsibly

Oh, what could possibly go wrong

I have choked on all your remedies

Now won't you let me please go homeBut if I'm sitting here lonely

With no-one to hold me

At least I'll have my health

I'm trying to control myself

I'm trying to control myself
