A Prayer

Anggun

Thank you for blessing the road I walk on
That I'm walking on
I'm sorry for every mistake I fall on
Can't help but fall
You've changed this heart in me
And I know, I can always count on you
To give me the signs
In the wind on my face
Each time I try to run
From the sight of your grace
From the wrongs I have done
You shine down your ligh
T each time I need a guide
I say to hearts in despair
There's an answer to a prayer
Give me true love in my life, a peaceful mind
Save me from harm
Pull me back if I ever try to walk away
Don't let me stray
You've changed this heart in me

And I know I can always count on you
To give me the signs
In the wind on my face
Each time I try to run
From the sight of your grace
From the wrongs I have done
You shine down your light
Each time I need a guide
I say to hearts in despair
There's an answer to a prayer
Say to all hearts in despair, there's an answer to a prayer
You've changed this heart in me
And I know I can always count on you
To hear my prayers
You shine down your light
And I know there's an answer to a prayer
You shine down your light
Each time I need a guide

I say to hearts in despair
There's an answer to a prayer
