Red Dragon

Deerhoof

When I was asleep
I saw my camera frog
When I go back
I want to see her againPut the picture of what you want to dream
Under your pillow and have a good nightBa-ba-ba
Ba-ba-ba
Ba-ba bye-byeWhen I was alive
I had six children
When they come back
I want to see them againPut a picture of me upon your wall
I stare at you and you have a good lifeBa-ba-ba
Ba-ba-ba
Ba-ba bye-bye
